As promised here is our final newsletter for the year.....

It is hard to believe that Christmas is almost upon us and that the year is now drawing to a close. We have been watching the locals take great pride in decorating our town and preparing for the festive season. The lights around the town are such a delight, we wish you could all share them - hopefully the photos will give you a flavour. The marina staff have also arranged a Christmas boat decoration competition. Obviously we did not want to miss out and Rob has been keen to get his designer hat back on - the results can be seen on the front page of the web site. We will keep you posted with the result!

The weather in November and December has been fantastic here, far better than we anticipated. Day after day of clear blue skies and moderate winds have made sailing the area an absolute pleasure.

As 2005 comes to an end we have lots to reflect on and what an exciting and memorable a year it has been. Obviously the purchase of Ancecy and the delivery trip will never be forgotten, but it has all been an exciting experience - finding our way around and generally getting established here in Lagos. We have especially enjoyed looking after

our first year's clients and we look forward to welcoming them back in 2006 along with our new guests.

2006 will see sailing in the Lagos area go from strength to strength. Along with the sailing, we will soon be able to offer a luxury 2 bedroom apartment for let here in the marina. We feel that this will provide an alternative land base for those not wishing to sail or maybe people who just want to extend their stay and enjoy the Lagos life for a little longer. Watch the web site for further updates or get in touch if you can't wait!

All that remains to be said now is a big thank you to all our friends, family and clients for their invaluable support during 2005. It's been a great year for us. We wish each and every one of you a very Merry Christmas and a happy and healthy New Year.

We look forward to seeing you aboard in 2006

Feliz Natal!
