Dear Friends,

You will be pleased to know that you are one of the first recipients of our launch newsletter! We are currently applying the final touches to our brand new Jeanneau Sun Odyssey 37 'Anney', having taken full ownership of her during May. We have just completed her maiden voyage from Southampton to Falmouth, sailing fantastically well and without a single hiccup. By the end of July we will be established in Lagos Marina, Portugal, and we would love you and your family or friends to be amongst the first to join us.

Our 8-berth yacht is immaculately finished to the very highest of standards in terms of sailing and your safety with no expense spared. Everything will be provided to make your stay as enjoyable as possible.

We are planning to offer the following services but do feel free to let us design a course, holiday or experience around your needs -

Schooling to Competent Crew or Day Skipper- RYA Tidal syllabus. Full training will be given and you will end your stay with us having gained a prestigious new qualification.

Corporate Sailing/Team Building - why not work on your team dynamics whilst having fun at sea or maybe just entertain your clients in style. Either way, a corporate booking will prove extremely memorable.

Skippered Charter - be as involved as you like. Give sailing a try or have a completely relaxing break and let us look after your needs. Choose the marinas you wish to visit or let us plan it all for you. Enjoy meals on board, eat in the fabulous local marinas or just chill out with a BBQ on the beach. It is your holiday and we will do all we can to ensure that you enjoy every minute of it.

Mileage Building Trips- use the fantastic waters around Portugal, Spain and Africa to gain your sailing miles and help you in whichever sailing qualification you are working towards or maybe use them just to consolidate what you already know.

Whatever your choice of yachting experience why not take the opportunity to come and join us and sail the beautiful waters around Portugal on our brand new yacht? We are offering specially discounted prices to our friends to help us kick-start the business and flights to Portugal have never been so easy or cheap. So what's stopping you coming out to see us? Drop us a line and let us know how we can best serve you. We look forward to hearing from you soon. We'd also appreciate you distributing this newsletter to all your friends too!
